Inventor: Evelyn Waters Parker Citizenship: United States Address: 187 Pine Branch Drive Stockbridge, GA 30281 Title: picture/poster pals

## **CLAIMS**

## I claim:

- 1. An adjustable device for temporarily displaying pictures, posters, or other 2 dimensional presentation pieces.
- 2. The device can be easily trimmed to fit the presentation piece while maintaining the integrity of the 45° die-cut mitered corners.
- 3. The addition of the four design complimentary caps over the slits insures a finished look.
